Estimado Marta:

¿Que has echo? ¿Como has estado? I know it's been too long since we last got together.

I've just begun, May 1, 1974, my association with the Tejas Girl Scout Council in Dallas as Project Coordinator for YO SOY - an Experiment Mexican-American style, a pilot program for Chicanitas 8 - 12 years of age in West Dallas which is the largest concentration of the Chicano population in Dallas. It's purpose is, initially, to develop a cultural awareness and self-concept program for 90 girls. I need to identify and gather visual materials that can be used in this segment of YO SOY. Of course, we would like as much on Chicanas as possible, as a bonus.

If you have a bibliography or any library listings available, I will appreciate it greatly.

Venceremos en nuestros esfuerzos.

Amadamente,

TEJAS GIRL SCOUT COUNCIL, INC.
