Dear Ms. Cortera,

I am interested in obtaining literature in Spanish, articles or books, dealing with issues pertinent to the Women's Liberation Movement. I have some friends in the Dominican Republic who are interested in these matters, and especially in starting a Consciousness Raising Group, but who do not read English. If you can send me anything of this nature, I will be happy to send you a check for the amount, should there be a charge, by return mail. Or if you can send me information where I might obtain this material, I would greatly appreciate it.

Thank you in advance for your time.

Edy Harrington

Sincerely yours in sisterhood,
