Dear Ms. Cotera:

This is in reference to the project on Outstanding Mexican American women. I has definitely been a fascinating task. Thank you very much for your cooperation. However, even though I have had many responses, I am forced to limit the package to ten women, hoping that in the near future this project will be extended.

At this time I have selected you as one of these women. I would appreciate it very much if you would send me and 8" x 10" black and white glossy picture of yourself as soon as possible. There will be a reimbursement up to $5 for expense.

I will be waiting for your immediate response. Thanks, and you will be seeing the finished product very soon.

Sincerely,

Olga De Leon
