Dear M*s Cortero:

It was certainly a pleasure to have met you during your visit to Washington last week. We want to take this opportunity to express our sincere personal gratitude to you for your efforts on behalf of the Spanish-speaking population of our country.

We were highly impressed with the vigor, dedication and firmness of convistion which characterized your discussions. You have served as a catalyst in bringing the Chicana to the attention of the Commission. Only through our combined efforts and those of other Chicanas like yourself will we be able to achieve significant success in bringing about a more equitable policy of equal employment opportunity for Chicana women.

We look forward to a continued relationship with you and each of the members of the Chicana delegation. Please do not hesitate to call on us if we may be of assistance to you on any matter.

Sincerely,
