Estimada Hermana:

We are very pleased to have confirmation that you will participate as workshop leader for La Conferencia de Mujeres por La Raza, May 28-30. The Program Committee has scheduled you to lead:

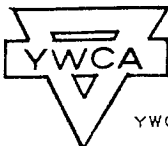

1. "The Feminist Movement: Do we have a place in it?" Saturday, 2:00-4:00 p.m.
2. "La Mujer del Futuro: How Do We Get There?" Sunday, 10:00-12:00 p.m.

Accommodations-Transportation. We are reserving a private room for you at Mid-City YWCA, 1521 Texas Avenue, Phone 222-8261--for Friday and Saturday nights. An information desk will be set up at Mid-City "Y" to assist you on your arrival.

Depending upon how you are traveling, we are prepared to provide transportation between Mid-City and Magnolia Park (the site of the Conference) during the three days. Please indicate on return sheet when and how you are arriving. You may already know that Anita Aleman is also coming from Jacinto-Treviño.

Leadership. We are enclosing the following items:

1. A return sheet outlining your presentation to help us prepare for your workshops.
2. A "Profile of Participants" sheet also to be returned to us for publicity and for introducing you properly.
3. "Guidelines for Moderators" to assist you in conducting the workshops.
