Dear Bambi:

I was speaking to a friend in D.C. the other day, and he told me about your new D.C. group, Las Mujeres. It sounds extremely exciting and useful. Since all our HEW and Civil Rights friends left, we have had no contacts at D.C. for funding and other purposes.

If you can, drope me a line about the group, or call me at (512)444 1863, I would be very grateful. Our MABPWA group locally is trying to get into State lobbying. I hope we can do this effectively. We were also trying to find out if you will be in the area March 27, 1975 at 7:30 p.m. so you can be a speaker for our quarterly dinner meeting. Let me know if you can do this so we can proceed with our planning. Y como siempre estoy a tus ordenes para lo que se te ofrezca.

Remember if you need a good contact/resource consultant for migrant information/migrant women, community development or anything else, I am available. I am enclosing a résumé , just in case.

Gracias,
S.S.Sa.
